Health and Safety Representative Initial OHS Training Course

Are your health and safety representatives adequately trained (per s67, OHS Act) to effectively exercise their rights and powers? Do your managers and supervisors understand the obligations imposed by Victoria's Health and Safety Legislation?

Introduction:

This 5-day, HSR Initial OHS Training **Course** is formally approved by **WorkSafe Victoria**. Although HSRs are the primary audience for this course, other persons such as Managers and Supervisors will benefit from attending. Five days of intensive training provides participants with a comprehensive knowledge of rights and powers of HSRs and practical skills to assist in the implementation of those rights and powers. The course is conducted by OHS professionals currently involved in assisting workplaces to effectively implement health and safety.

The topics covered include:
